## Master's Message

Brethren,

Welcome to a new month. Thanks to our diverse array of brothers putting their skills and talents forward, we have begun this Masonic year with outstanding success. I sincerely thank everyone for their participation, which has been incredible. Our lodge is strong and unified, with several committees coming together planning for and executing events like the pot-luck social, and the continued support of various local charities.

All this activity grows bigger when we are inspired by the light and fellowship of our Craft, which becomes brighter and warmer, the more we understand it. So going forward, we will be inviting speakers to our meetings, with monthly, short 15-minute presentations designed to educate and inspire. Topics will vary, and we are fortunate to have a lot of resources available. If you have a topic of interest and wish to hear more about it, let me or an officer know.

Looking forward to seeing you at lodge. And May the Grand Architect of the Universe bless your travels.

Gratefully,

Edward Santano  
WM Euclid lodge #136
